MARCH OF '27
CATHERINE MORNEWECK

Into life now we go
After happy school day hours
In thy hall, Wadsworth High,
Which we ne'er can forget.
Hear our song which we raise to thee
Here we have learned that to serve is best,
Lend a hand as the days roll by,
And in life we will ever be true to thee,
Wadsworth High, and our class,
twenty-sev'n.

In fields of conflict new
We will fly our banner brave,
We will champ'on the right
Evil put to flight,
Gain new laurels for thy name
None can assail our ranks so true,
Daunt our hearts nor our standards tear down
And in life we will ever be true to thee,
Wadsworth High, and our class,
twenty-sev'n.

Skies of blue arching o'erhead
Lend their radiance to us
As this day we go forth
With a song on our lips
And high purpose within our hearts.
Lessons are o'er and the task begun,
Now the friends for awhile must part,
But in life we will ever be true to thee,
Wadsworth High, and our class,
twenty-sev'n.

CLASS SONG
*Tune of "School Day Sweethearts."*
FLORENCE O'MEARA

Wadsworth High School with voices clear we sing
With loyalty we make the echoes ring
Our life's dearest memories, will be of our High School days
Lets not forget our friends as we go our many ways.

Commencement Day, with sadness in our heart
Commencement Day, soon it is time to part
Teachers, comrades all we leave, when diplomas we receive,
And our class is now enrolled into this Hall of Fame.

Chorus—Here's to our dear Old Alma Mater
Joyfully we sing her praise
The golden haze of our school days hath pow'r to charm where'r we roam,
But often still our fancy will stray
Back to our old High School Home.
Where scarlet and the gray will always hold its sway
Alma Mater, (our high school) (we love you) (our old home.)

## Senior Class History

In 1914, twelve short years ago, a group of *thirty* "plebes," set sail on life's stormy sea to acquire an education. Heretofore, we had just a faint glimpse of the world and little realized what "sorrows and pleasures," "ups and downs," awaited us on the sea of life. As first graders we were "raw recruits," on that staunch craft "knowledge," and tried our best to resign ourselves to the strange new surroundings. We finally learned that our only motive power was "study," but it took some of us a long time to find this out. Our first impressions of life aboard this vessel were many and varied. They will always exist in our memory.

We spent eight years learning the various duties aboard ship and finally were rewarded by promotion to midshipmen.

We thought we were worldly wise and experienced when we graduated from Junior High but as Freshies we soon learned, the less said about this, the better off we would be. At this stage of our voyage our number had increased to *one hundred ten.* We started immediately to make our presence known, rather by actions than by words, contributing to athletics, as well as to all high school activities.

As Sophomores we had lost some of the "greenness" that characterized our first year in High School. We had acquired an air of importance and regarded ourselves as upper classmen. In our third year we realized more completely the value

of study and tried our best to make up for the neglect of our first two years. While Juniors, we organized our class and choose scarlet and grey as the colors to defend from the onslaughts of the Seniors and Sophomores. We have finished our journey through high school with an enrollment of *seventy-nine*, the largest graduating class in the history of our school.

Now that we have reached the end of our voyage we have attended the highest goal, Wadsworth High School can offer us. We are Seniors. We don't regret leaving as much as we thought we would. Of course we will retain the many happy memories we have of our high school life but we are thinking of the future.

We will embark on a new voyage,—a voyage which will more strenously test our merit than the period through which we have just passed. To some of us it will mean College to others facing lifes work itself.

And so, we of the Scarlet and Gray leave the Throne of the Class of '27 to the Class of '28, to love, guard and esteem as our class has tried to do in the four eventful years spent in W. H. S.

George E. Geisinger, '27

## Senior Report

Our first social event of the year was a weiner roast scheduled to take place at Spruce Run. Although, because of a misunderstanding, we were unable to have our party at that place, it did not detract from our fun in the least.

We arrived in the vicinity of the "Run" about seven-thirty and after a strenuous hill climb found that we would not be allowed to enter. Abandoning the machines, we walked for about a mile down a muddy road and still were no nearer our destination. At this point, a kind farmer came to the rescue by offering us the use of his front yard. A roaring fire was soon kindled and in no time at all it had burned down to a bed of hot coals. A bread line was formed and the way the "red hots" and buns disappeared was a joy to the eats committee. Marshmallows then went the rounds and when everyone was satisfied we gave a rousing good cheer for friend farmer and departed to our cars.

Many thrills were added to the evening's entertainment by a "mystery car" containing a bunch of "grads," who, as usual, tried to break up the party. Of course they didn't succeed but they caused no little excitement by racing up and down the crowded road and popping full speed around corners at strategic moments. The only other event worthy of mention occurred when we reached the cars which had been parked in a field. "Fliver" Coolman found that his car had been locked from the inside and he had no key. After several vain attempts to gain entrance he called for assistance of Red Hutch, "Ford" expert, who soon had everything O. K.

Was the affair a success? Ask anyone of the fifty Seniors who returned from the party tired and sticky but very, very happy.

The majority of the Senior Class met in back of the school for a bob sled party. After a great deal of debating we finally divided ourselves into two bobsled loads and started off. We sang until we made the poor horse fall down with grief so we tried keeping silent but it was impossible to do so with Duane Calbetzer along.

We reached our destination at the "Rodger Homestead" and then unloaded. Of course we played games and "Doc" and "Chippy" were kept busy answering proposals of marriage and say, Glada sure can perform dog tricks. Then came the eats and we concluded that Helen and Sam knew how to cook "hot dogs".

At a rather late hour we bundled up and again piled into the bobs giving three cheers to the Rodgers for a wonderful time.

## Junior Class Report

The class of twenty-eight started out in the third year of its High School career this fall, with each member holding in his heart the hope that his class would be the best Junior class that Wadsworth High had ever seen.

Of course we had to be organized so we elected our officers to help us over the sometimes rough, but more often pleasant, task of being a good Junior class. Wade Griffith was elected President and Edward Gerstenschlager, Secretary and Treasurer. They have proved to us that they are well worthy of their offices.

Soon after school began, and the members of the class had once again become acquainted with each other, a wiener roast was suggested and as all eagerly assented, the time and place were fixed. Luck was with us, for on the appointed night it was clear and bright, and a big golden harvest moon hung like a lantern in the sky to show us the way to Bolich's farm. When we reluctantly but happily turned our faces homeward we could truthfully say, "The end of a perfect wiener roast."

Then, a few months later came one of the crowning glories in the life of a Junior, when we could proudly put on and show off our blue and gray sweaters with the emblem W. H. S. on them and our shining class rings and pins.

Our class has contributed much in the way of athletics this year, and our cup of happiness almost overflowed when our girls' basketball team won for the second time the Silver Cup presented by the American Legion to the winners of the High School Class Tournament.

## A Sketch By A Lead Pencil

Did you ever stop to think of the duties that a lead pencil has to perform? They are very numerous, and I know it by experience. Here I am now, working hard just in order to get some of my history written down on paper. I must have the abbreviatus, for when I first met Mr. Fountain Pen, I was as tall as he, but now I have to look up to him. I have to help my boss with the most of his lessons at school, and if by a mistake I step off a line that is not exactly right, I have to stand on my head and get that line out of the way, in order to make room for another. I do that quite often so you see I turn a number of handsprings everyday. I thought I would break my neck as I was tumbling down two flights of stairs, but on a second thought I knew that it would take more of a bump than that to break my rubber neck. I am always very tired on Monday morning, for on Friday evening I am placed so tightly between two wires of a pencil-holder that my stomach rubs my back-bone until it has a callous spot on one side. I'd like to know who could rest in a position like that. Just a minute, please! My boss says he does not see the point. I know very well he does not see it, for it just broke off. I have a new one now so I will finish. I get a trimming twice a week, for not writing distinctly.

Well, I shall have to stop as the boss says he is going to bed.

Yours as ever,
Mr. O. U. Leadpencil

P. S. You ought to be thankful that you are not a lead pencil.

## Sophomores Class History

In the fall of 1925, eighty-six new students came into W. H. S. Everybody thought we would be the usual "Freshies" but they were mistaken. We were green, we admit, but "Only green things grow."

At the beginning of the year, we elected Virginia Auble, President; Harold

At the beginning of the year, we elected Virginia Auble, President; Harold forged ahead and filled our rightful places and the year ended, a glorious victory.

As our second chapter started, we began to realize the real joy of High School life. We again elected officers and they were: William Kyle, President; Clara Messner, Vice President; Glenn Hall, Secretary and Treasurer.

We have been represented in all corners of the athletic world, and in these two years we have learned to love the school, and have determined to do our best in the remaining two years to pay back some of the things we have obtained from good old W. H. S.

## Freshmen History

Even the Freshman class has history attached to its name. In the long and tedious climb to occupy the esteemed position of Freshmen they have not only been studiously studying, but have also been putting forth all their energy to win fame on their sojourn through High School.

On their first step up the Staircase of Knowledge, they were helpfully assisted by Miss Housman, first grade teacher at that time.

While in the Junior High School, their basketball team was quite energetic in winning ten games from their opponents, and losing only two.

As a part of their eighth grade commencement an operetta, "The Toreadors," was successfully given.

At the beginning of the first semester, the Freshmen elected their members for Student Council with great care and consideration. The class elected as their officers the following: President, Blaine Mansfield; Vice President, Martha Amweg; Secretary and Treasurer, Richard Curtis.

In the season of football, five boys from the Freshman class went out for practice. This shows that the "Freshies" are aiming high and expect to gain notice by their valor.

In the basketball season, we find we have some good fighters among the girls, who are going to make excellent basketball players in the future. The boys also have shown good fighting spirit, one especially, Joe Williams, who made the varsity.

Our expectations of the Freshman class are very great, and we are sincerely hoping to hear more notable things of them in the future.

In the latter part of January our debate teams under the direction of our coach, F. L. Woodbridge, clashed with Wooster. The subject for debate was: Resolved, that the present system of direct primaries in Ohio should be abolished. The negative, composed of Ralph Rohrer, Pauline Foust and Dana Kreider with Velma Shaffer alternate, defended the home platform, while our affirmative, Ruth Collier, Ruby Watkins, Randall Zepp and Estelle Shaw traveled to Wooster. We had the hard luck of losing both debates, nevertheless we are proud of the work done by our teams.

On March 11, the Annual Triangular Debate took place. The question for debate was: Resolved, that the Philippine Islands should be given their independence by 1930. Our affirmative team composed of Virginia Auble, Millard Freidt and Wanda Bain with Catherine Morneweck as alternate journeyed to Barberton, while our negative team composed of Leonard Kreider, Audrey Gantz and George Geisinger with Ford Coolman as alternate, remained at home. We had the misfortune of losing both of these debates also but good work was done by our teams and we hope for better success next year.

## Foot Ball

Seated, left to right: Theodore Markley, Richard Geisinger, Lee Hammond, Wade Kindig, John Hutchinson, Earl Waters, Kenneth Parmelee.

Standing, left to right: F. L. Woodbridge, Boyd Oplinger, Sandy Crisafulli, Roy Hantzsche, Edward Gerstenschlager, John Damm, Stewart Spicer, Mr. Stoakes.

When the call for Football was given by Coach Stoakes, September 13, about thirty-five peppy, alert, loyal boys reported, but after a week their ranks thinned down to about twenty. The letter men of last year were, Captain Wade Kindig, "Red" Hutch, Dick Geisinger, Earl Waters, Lee Hammond and Kelly Parmelee. Our record was not so good in games won and lost, but it isn't the games you win or lose that makes a successful team, it is how you play the game.

KENMORE 8—W. H. S. 6

Our first game was with Kenmore and our slogan was "Beat Kenmore." We were first to score, a touchdown in the first quarter. It was not until the last quarter that Kenmore scored their first touchdown. They had also scored a safety in the first quarter. In this game we showed lack of experience and training.

ORRVILLE 12—W. H. S. 0

It was predicted that we'd be defeated by fifty points, but we went into the game fighting mad, and we held them to two touchdowns, which were made in the first quarter. Our inability to have the scoring punch lost the game. Spicer played a good game as half-back.

WOOSTER 6—W. H. S. 13

We broke into the winning column at the expense of Wooster at the same time breaking a seven years' jynx. The game was well played. Wooster was first to score, but we came back and gathered in touchdowns in the second half. Captain Kindig showed his ability by carrying the ball fourteen successive times to score a touchdown. Hantzsche gave a very good exhibition of tackling.

BARBERTON 7—W. H. S. 0

We went over to Barberton to play our old rivals and were determined to beat them, but because of an injury to Dick Geisinger and a blocked punt, we lost a hard fought game. "Red Hutch" was the individual star of this game.

DOVER 41—W. H. S. 0

We met Dover there and every one on the squad was a little afraid of them. They out-weighed us and were above our class. Also the town people showed very poor sportsmanship. Lee Hammond and Sandy Crisafulli showed up well in this game.

MEDINA 23—W. H. S. 7

Our whole team went to Medina expecting "carp" and all of us were cocky. We expected the game to be given to us on a platter and due to this fact, the game was lost, the score being 23-7. But we had been taught a lesson. This was Medina's second victory in eight starts.

KENT ROOSEVELT 6—W. H. S. 13

We again broke into the winning column. This time defeating a team which was expected to win over us by fifty points. Every one played a good game, but most of the credit goes to "Fat" Crumrine and our captain, Wade Kindig.

CUYAHOGA FALLS 19—W. H. S. 7

Cuyahoga Falls High School came to Wadsworth and we were going to send them back beaten, but we did not play up to standard so we were the losers. Ed. Gersty, and Nicodemus were the out-standing players of the game.

STRUTHERS 32—W. H. S. 0

This was our last game and it was a very cold snowy day. Struthers was a much heavier team and above our class. We were unable to hold them, but we thought we did well by holding them to a 32-0 score.

## Boy's Basket Ball

Seated, left to right: Wade Kindig, Joe Williams, Richard Geisinger, Garland Christian, George Geisinger.

Standing, left to right: Earl Waters, Earl Porter, John Damm, Niles Williams, Mr. Stoaks.

Captain
1927-28

Our basketball team started out the 26-27 season with only one letter man of last year's team, Dick Geisinger, our Captain. And from twenty-five others who reported, Coach Stoakes picked his team, which consisted of Joe Williams and Garland Christian as forwards, Wade Kindig at Center, Dick Geisinger and Eddie Gersty guards. Many teams from which we won were above our class. Our average was 633%. This was considered very good, because this was the hardest schedule Wadsworth has played in several years.

## Girls' Basket-Ball

First row, left to right: Mary Houglan, Thelma Curtis, Julia Watts.

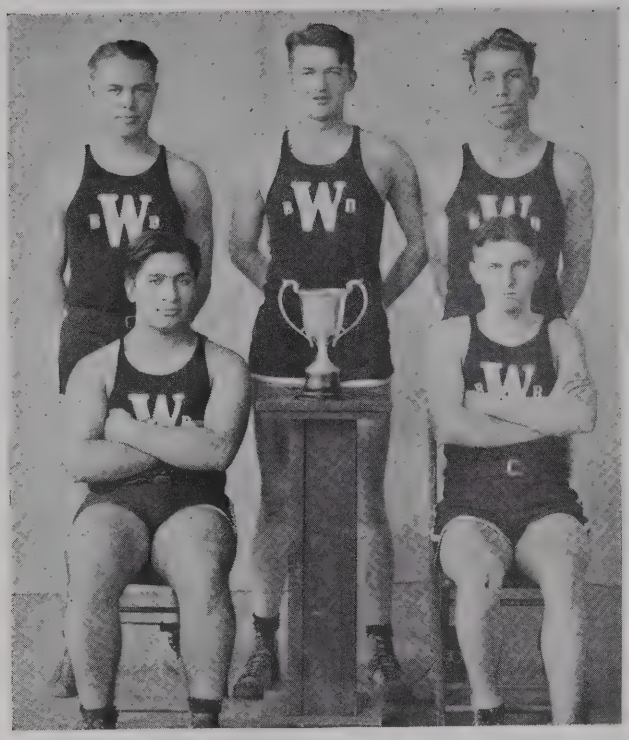
Second row, left to right: Florence Huffman, Magdalene O'Meara, Gladys Macbeth, Frances Morr.

Last row, left to right: Leona Murgul, Wanda Bain, Mr. Stoaks, Irene Hall, Evelyn Dick.

The Girls' Varsity Basketball Team has been very fortunate in the outcome of their games, having won six out of ten games, while the loss of two of the games was due to girls' rules. Our success was due partly to the work of the coach, Mr. Stoakes and the fine school spirit always with us. The team, however, is to be congratulated on the good work and on the efforts which they put forth.

We are very fortunate to be able to say that we shall have all our old members of the team back except our Captain, Thelma Curtis, and Evelyn Dick. We hope that they will be as successful in their journey through life as they have been in basketball.

Florence Huffman, '28



A class tournament game was played each Wednesday afternoon. The Seniors, with unusually strong fighting spirit, won five games and lost but one—to the Juniors. The Juniors came in second with four games won and two lost. The Freshmen won three games, but the Sophomores failed to win a game, although several contests were lost by only a point.

This is the second successive tournament victory for the Seniors. If they win next year the silver cup will be a permanent decoration for the Senior room.

George Geisinger, one of the mainstays of the Senior team, was absent when this picture was taken.

## INTERCLASS BASKETBALL

The Girls' Inter-class Basketball tournament was won by the Juniors. They were very successful having won all of the games played. The first game was played with the Seniors. This was an interesting game as the teams were evenly matched, but in the outcome the Juniors defeated the Seniors. The other games with the Sophomores and Freshmen were also interesting with the Juniors leading by a high score. All in all the tournament was of great interest, the Juniors having won the cup in their Sophomore year and we hope to win it in our Senior year.

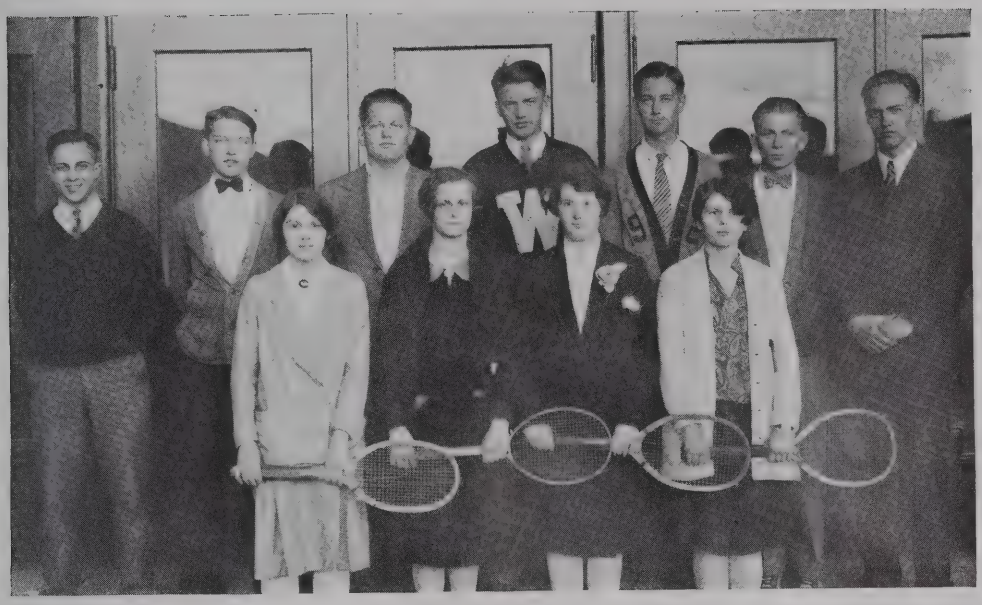
## Tennis-1927



Back row, left to right: KENNETH PARMELEE, RUSSEL BUNNELLE, ROBERT CRUMRINE, LEE HAMMOND, LEONARD KREIDER, PAUL BAKER, MR. MARTIN.

Front row, left to right: EVELYN DICK, MARY HOUGLAN, KATHLEEN JOHNSON, DORIS CRUMRINE.

We started our tennis season this year with an elimination tournament within our own High School. All those wishing to try out for the team were asked to enter, so that our coach, Mr. Martin, could see the players at work. The first night twenty-five reported for practice.

On Saturday, April 22, we will play our first game with Wooster on our home court. Our schedule is not yet complete but it will include two meets each, with Wooster, Rittman, Barberton and probably Lakewood.

## Baseball-1927

First row, left to right: SAM WELTY, DUANE CALBETZOR, RICHARD GEISINGER, GARLAND CHRISTIAN, JOHN DAMN, EARL PORTER, LEWIS GARSHMAN.

Second row, left to right: THEODORE MARKLEY, NILES WILLIAMS, WILLIS SHULTZ.

Third row, left to right: HAROLD WUCHER, SANDY CRISAFULLI, STEWART SPICER, TONY BUEMI, JOE WILLIAMS, KARL DAVIS, KENNETH LATSCH, WALLACE FRITZ, MR. STOAKS.

With only three letter men reporting for practice the prospects for baseball looked rather dubious at the beginning of the season. Dick Geisinger, Garland Christian and Duane Calbetzor, however, formed the backbone of a team which showed every promise of bringing honor to W. H. S. The line-up for the first few games placed Geisinger, Garshman, Williams and Griffith on the mound, Christian behind the bat, Spicer, first base, Damn, second, Davis, shortstop, Calbetzor, third, Williams, Porter, and Welty outfield, others on the squad are Thomas, Gersty and Williams.

A LIGHT FALL

When he fell out of the window did he hurt himself much?

No, he had on his light fall overcoat.

"Eddie, what are you reading?"

"Don't bother me, darn it! Can't you see that I'm reading this book of etiquette?"

"Can I see the Secretary of Agriculture?"

"Well he is very busy, madam. What is it you wanted to see him about?"

"About a geranium of mine that isn't doing very well."

A Swiss waiter was summoned to an Italian court for swearing in German at a Frenchman who was dining in an English restaurant owned by a Scotchman.

"Did his widow succeed in breaking his will?"

"Yes, long before he died."

"Gee, dat's a pretty boid."

"Dat ain't no boid, it's a bird."

"S'funny, it sings like a boid."

An easterner trying to be smart came to the west and picked up a pumpkin at a vegetable stand remarking, "is that as large as you grow apples around here?"

The Texan replied, "Hey, drop that grape."

LIVER TROUBLE

I was suffering from liver trouble and the doctor told me that if I laughed fifteen minutes before each meal, my condition would improve. One day in a restaurant, while having my little laugh, a man at the opposite table, walked over to me and said in an angry manner:

"What are you laughing at?"

"Why, I'm laughing for my liver," I said.

"Well, then I guess I had better start laughing too. I ordered mine half an hour ago."

"Now remember, Bridget," said the mistress, "the Browns are coming to dinner tonight."

Bridget—"Leave it to me, ma'am: I'll do me worst. They'll never trouble you again."

## OBERLIN BUSINESS COLLEGE — A SCHOOL FOR HIGH SCHOOL GRADUATES

The Oberlin Business College has set a high standard in that it admits only high school graduates. This places this school in a class by itself. It is said to be the first business college in Ohio, and one of the few in the United States having the college entrance requirement.

That they appreciate the opportunity to study in a business college of college grade, where advanced courses are offered suited to their needs, is shown by the fact that students are enrolled this year from over sixty different high schools in Ohio, in addition to those from other states.

It is a loss of time and effort for high school graduates to study in the average business college with a mixed class of students, some of whom have had little or no high school training. Many young people from this community, now holding good positions in different parts of the country, secured their business training at Oberlin.

DESERVED A MEDAL

One day—when my rheumatism was bad—and my daughter had just eloped with a good-for-nothing scalawag—and fire had destroyed my barn—and roasted a fine horse that I hadn't paid for—and my best hog had up and died with the cholera—and they had foreclosed the mortgage on me—and the sheriff was looking for me with a warrant—I told my troubles to one of these here optimists and he said: "Cheer up, old man, the worst is yet to come."—So I shot him.

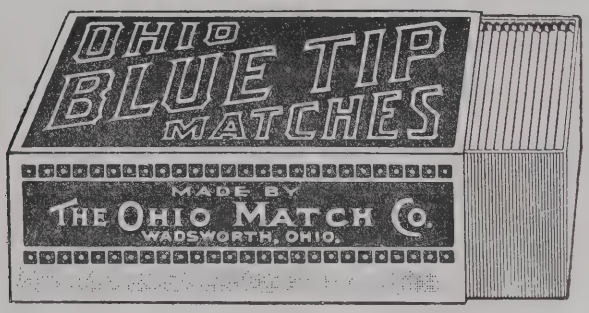
# *Ohio Blue Tip Matches*



For years this name has conveyed to the minds of Americans the thought—"The Best Match Made."

Since the beginning, we have not let one day pass without trying our best to make OHIO BLUE TIP Matches BETTER than they were made the day before.

The OHIO BLUE TIP MATCH is NON-POISONOUS. The Sticks are long and our PATENTED PROCESS treats them to pervent AFTER-Glow. It also tends to strengthen the sticks and to PREVENT the CHARRED ENDS from falling.

Our slogan is ALWAYS BETTER. The result is that each day the OHIO BLUE TIP is the NEWEST and most SCIENTIFIC Match made in the world that day. The name OHIO BLUE TIP is a household word symbolical of Perfection and Greatest SAFETY possible.
